- *Internal Rates* pertain to all EPR users of the University of Illinois including the Urbana-Champaign, Chicago, and Springfield campuses.
  - *Non-UI Academic* rates pertain to all other schools.
  - *External Rates* pertain to everyone else.
- *Internal Rates* have been computed based on average operating costs and the hours of EPR spectrometer use.
  - *Non-UI Academic* and *External Rates* include additional overhead expenses.
- *EPR Staff Service* pertains to any Staff activity directed to a particular individual for a specified time period. Examples are custom equipment set-ups, data collection, exceptional data analysis, training, or any distinct task outside the norm of routine practice.

Please direct all questions or comments about EPR rates to the NMR/EPR Director.
