ATTENTION!
Effective May 24, 2021
Coronavirus response facility procedures

NMR Laboratory
Contact: scs-nmr@illinois.edu

All CORES users/staff must have access granted status in the Safer Illinois App or Covid Access Pass

UPDATED Mask Guidelines 146 RAL

Unvaccinated users and staff
MUST continue to wear a facemask when in a room with others and maintain recommended 6 ft social distancing.

Fully Covid-19 vaccinated users and staff
are not required to wear a mask. This facility has high traffic and remains a group setting so we request that you continue to wear a facemask in the Lab and when working directly with NMR/EPR staff.

Lab users in 55 Noyes and A151 CLSL must maintain social distance.

NMR Lab – Newcomers
- Email Nikki Duay (nduay@illinois.edu) for instructions and assistance.
  A drop box is located right outside Nikki's door with incoming forms, data sets, quizzes and puzzles. She will check regularly and email a response to each inquirer.
  Individual training for Group members will still be managed by the Group.
  In-person check-outs will remain at 30-40 minutes.
- Wear a mask to your check-out session.
- We will send you a list of skills you should be able to perform on your own under observation of an NMR staff member with social distancing maintained.

CORES walk-up facilities are available 24 hours a day.
