

## Remote Access of NMR Data

21 Apr 2023; DLO

You can access your NMR data from our NMR File Server

- Please see the separate handout on this topic
- Samba is being discontinued soon (Spring 2023)

# Use the NMR File Server to BACK-UP YOUR DATA on a regular basis!

**We recommend data back-up weekly.**

**This is the responsibility  
of every individual scientist!**

Here's a device in the Chem Storeroom that can be used to connect a USB port to a standard Internet cable if you need to:
